KLEERSEAL (WATER BASED SEALER)

Granite, marble, travertine, limestone, terrazzo, concrete, agglomerate, stone, floor tiles due to their nature absorb water, oil, grease, food, sauce and atmospheric conditions. Ideal for kitchens and bar tops. Kleerseal impregnates the surface, waterproofing with long lasting protection without changing the visual effect – non-yellowing – UV stabilised – mildew resistant – allows paving to breathe – antistatic – excellent resistance to acid rain – non-toxic when dry. External and internal use.

US Packed: .95 litre – 3.75 litre.

AMERICAN AQUASEAL

Sandstone sealer, maintenance free – a penetrating polymerised sealer for new and repeat applications (contains no silicon, wax or varnish). Coverage – approx. 7 square metres per 1 litre – 2 coats required 24 hours apart. External and internal use.

Packaging: 1 litre – 4 litre – 20 litre.

CLEANERS (NEUTRAL NON-DETERGENT)

LATHAM GOLD-CHEM POWDER

Non-detergent, safe, neutral pH, non-toxic, biodegradable, non-irritant, non-flammable, revolutionary cleaner specially formulated for deep cleaning and maintaining marble, terrazzo, slate and other natural and man-made stone surfaces. Gold-Chem is composed of penetrating agents that float the dirt from porous surfaces without harming the natural polished surface finish. Gold-Chem meets the specifications of the National Stone & Terrazzo Association of USA and the Australian Stone and Terrazzo Association.

LATHAM GOLD-CHEM TYPE 33TT

Terrazzo, marble, granite, slate, stone and tile – low foam, hand and machine use.

LATHAM GOLD-CHEM TYPE 44TT

No-foam, automatic floor machine and low pressure cleaner.

LATHAM GOLD-CHEM TYPE 22XX

General purpose low foam, terrazzo, tile, vinyl, carpets, canvas, awnings, stoves, fireplaces, b-b-ques, swimming pools, boats, air conditioning filters, engines.

Packaging: 1 Kg – 5 Kg – 35 Kg

WAXES & POLISHES

LATHAM ULTRALUX 2000 CREMA LUCIDANTE

Marble, granite, terrazzo. To protect and enhance. A hard neutral marble polishing cream applied sparingly to bench tops, tables and vanities, etc, aids in protection from environmental factors. Wash with cold water only – Internal use only. May become slippery on paving.

Packaging: 100gms – 750gms.

LATHAM ULTRAPOL 2000

Marble, granite, terrazzo, onyx. Polishing powder – hand and machine use. Superfine quality – multipurpose buffing powder.

Packaging: 1 Kg – 5 Kg – 18 Kg.

LATHAM RR1 FIX

Marble, terrazzo, unglazed tiles, slate and other natural and man made floors. To protect and enhance. This uniquely formulated wax maintenance sealer is composed of organic materials. RR1 Fix penetrates the pores of the stone, does not build up or yellow. Applied neat to the surface with a damp cloth but more often added to the water when washing, finish will build over a period if buffing is maintained. Wash with cold water only. Internal use only.

Packaging: 1 litre – 5 litre
